**RE: CLAIM STATUS HOLD - PAYMENT RESTRICTION NOTICE**

As per Clause 4(a)(ii) of the Claims Disbursement Compliance Protocol, the total administrative flat fee of \$121,952.47 remains **outstanding**.

This amount is required in full before fund release authorization can be granted.

Repeated failures to remit the fee have triggered a system-initiated account restriction to prevent misrouting, identity conflict, or transactional ambiguity under U.S. Federal Regulation 32-B(7).

Until the outstanding statutory fee is received and verified by DOJ Treasury Compliance, all further actions related to disbursement, claims authentication, and grant processing remain suspended.

**Next Steps:**

The Claimant is advised to complete the payment obligation via one of the approved payment channels or initiate contact with their assigned DOJ Liaison Officer to schedule a review and account re-verification.

Failure to act within seven (7) business days may result in automatic referral to federal escrow and the initiation of dormant claim procedures under Statute Code 18-1702-B.
